

# Baden-Württemberg-STIPENDIUM

Clarkson University, USA  
Academic Year 2026/2027

## Technische Hochschule Mannheim

For more than 125 years, Technische Hochschule Mannheim has been anticipating future educational demands. The university's outlook is global, and we actively promote international, scientific and cultural exchange between students.

## Semester abroad at Technische Hochschule Mannheim

Spend your semester abroad at Technische Hochschule Mannheim, Germany. In order to apply, please follow the instructions of your International Office and consult the information on our website:

<https://www.english.hs-mannheim.de/admission.html>

## Baden-Württemberg-STIPENDIUM

With the Baden-Württemberg-STIPENDIUM you will not only obtain financial support, but also belong to a worldwide network. The exclusive online portal BWS-World and numerous events offer you the opportunity to exchange information with other students from different cultures and subject areas.

The scholarship holders will spend their period of study at Technische Hochschule Mannheim during the academic year 2026/2027.

## Application Procedure

If you are nominated for a semester abroad at TH Mannheim you have the chance to apply for a scholarship, the Baden-Württemberg-STIPENDIUM, which would support you with 700€ to 800€ per month.

Submit your application online at [www.bws-world.de/en](http://www.bws-world.de/en)

After receiving the confirmation of registration, please fill in your personal data and the required study data. Furthermore, upload the required documents.

Questions which may arise while editing should be solved by viewing the integrated comments. For other questions please direct an e-mail to: [bwstip.io@th-mannheim.de](mailto:bwstip.io@th-mannheim.de)

Submission Date: 18th March 2026

More information  
on our website:

## Application Documents

- ✓ Letter of motivation detailing your reasons for applying for TH Mannheim and the scholarship
- ✓ CV including personal details, education and qualifications, work experience, skills, hobbies/interests as well as volunteer activities and social commitment
- ✓ Official academic transcript
- ✓ Certification of matriculation/ confirmation of enrolment

## Selection Procedure

The decision will be made by the Baden-Württemberg Stiftung following shortlisting by TH Mannheim and appraisal by a central scholarship commission until the end of June.
